MEMORANDUM FOR: DD/S
Acting DD/P

The DCI has ruled that he will not approve any requests for waivers of accounting.

In those instances where for security and/or operational reasons it is deemed necessary that accountings be maintained in the component concerned, such requests will contain words similar to paragraph 4 of the attached memorandum. "..... Due to the security requirements of this operation, further information and affidavits from the individuals concerned covering this project will be on file with the _____ and may be examined only with my prior approval. The _____ will maintain the accounts of this project under the code name _____."
